

MAES
MATTRESS TICKING

Masters in Mattress Ticking

Belgian Damask since 1926.

The Belgian family business “Maes Mattress Ticking” has been a master in the design and production of quality mattress tickings since 1926. When you choose Maes, you are choosing quality, reliability, flexibility and doing business on a human scale.

Our family looks forward to welcoming you on March 14, 15 and 16, and will be happy to show you our exclusive range of high-end woven damasks in natural compositions that will enhance the pure comfort of your mattress.
